We've Moved!

HAVERHILL, MA (May 9, 2011) — Progression, Inc announced today that it has moved its office to a new location. The move will accommodate growing market share and enable the Progression staff to continue efficiently servicing our clients.

Since 2008, the staff of Progression has grown by more than 20%. Our new location includes more office and meeting space, and more than double the production space, which will allow Progression to better fulfill our customer's needs.

“Our new facility will allow Progression to work more efficiently in order to better serve our customers as well as to improve the working environment for our employees,” said William Jensen, COO for Progression, Inc.

Progression's new address is 22 Parkridge Rd, Haverhill, MA 01835. Our office phone number 978.556.9555 and fax number 978.556.9551 remain the same.

About Progression, Inc

Progression, Inc. (<http://www.progression-systems.com>) has an extensive background in the development and implementation of process NMR and holds a broad intellectual property portfolio in its use and application. In addition, the company provides process LIBS instrumentation, custom sampling systems, two-phase mass flow monitors and electrostatic charge measurement devices for monitoring unique applications within the chemical, energy and mining industries.

International business accounts for more than 60 percent of privately held Progression's overall revenues. Strong service and distribution in overseas markets including Europe, Asia, and the Middle East continue to provide exceptional expansion and growth opportunities for Progression.
